ERASMUS PLUS PROJECT - TOGETHER THROUGH TOURISM 2015

ALTERNATIVE

Alternatives tourism

Alternative tourism is when people tour things and places other than the usual tourist attractions. In this type of tourism, visitors often interact more with the locals rather than simply looking at big buildings or historical sites.

Estellencs (Mallorca, Spain)

The favourite destination for the tourist

Estellencs is a little village of Mallorca, it is one of the villages less populated of Mallorca, there are only 300 residents but in summer many people come from other countries. This village has a beautiful road and is perfect to look while you drive the car, if you walk, or if you go by bus. Estellencs is peaceful, attractive, the forests are leafy, this village is perfect to disconnect, and admire the scenery, when you stay at this village it is like the time passes more slowly and this helps you to disconnect and relax, the only thing that reminds you that the time passes are the big bells of the church.

Ecotourism in Natural Park of La Albufera

it's a park near Valencia that contains the largest lake in Spain and one of the most important wetlands on the Iberian Peninsula. A place of great ecological interest. Is a nice and pleasant place. It's peaceful because it isn't crowded, and it isn't noisy but you can listen the birds' sounds. Also it has got shady zones because contains trees and vegetation. This park is situated near Valencia

Here you can enjoy a nice boat ride to see the park, eat paella on board, watch the wonderful sunsets, birdwatching and go fishing....

Adventure tourism in Las Hoces del Cabriel

Natural Park of Las Hoces del Cabriel is a park that is around the Cabriel river. It's one of the most significant natural spaces of the Valencian territory. It's important because of its fauna, flora, landscape, and its socio-economic and cultural values linked to the traditional rural environment. The river is the home to a rich vegetation and protected birds like the golden eagle, Bonelli's eagle or the owl. The river also is one of the best wildlife reserves river. Cabriel Valley is the best conserved riverside forest of Valencia. This park is situated between Valencia and Cuenca.

You can do rafting, canyoning, horse riding, hiking....
